To All Our Triadelphia Church Family,

The importance of unity among God's people is paramount in Jesus' prayer of John 17. The prayer invites us to be one with God and Jesus and to seek oneness with each other. Verse 21 says,

**"that all of them may be one, Father,
just as you are in me and I am in you.
May they also be in us so that the world may believe
that you have sent me."
John 17:21 (NIV)**

Unity among God's people is vital for the world to believe that Jesus was sent; without it, His church will not be able to fulfill its mission. How can we be united? According to Jesus' prayer, only as we daily connect with the Father and Him. Then, we will be united in purpose and mission and be able to invite others to believe and know the One who brings us all together.
